

2021 NMRX (Virtual) Managers' Meeting

Friday, 19 FEB 2021

Some Possible Topics for Discussion

1. COVID-19: How are you doing?
2. Funding: Big fancy new instruments, or reinvestment in existing infrastructure?
3. Who are we training to replace us?
4. NMR Consumables Suppliers: a comparison using many criteria such as
 - a. Price
 - b. Quality
 - c. Reliable supply
 - d. Relationship
5. Any new and interesting experiments/applications?
6. Helium Recovery Updates
7. Hardware Installation updates.
8. Ideas for an NMRX Logo
